

CHILD CARE CONSULTANT - HEALTH NEEDED FOR CHILD CARE RESOURCE AND REFERRAL

West Central Community Action seeks a Child Care Consultant - Health for WCCA's Child Care Resource & Referral (CCR&R) program. This is a full-time, position having few evening and Saturday training events.

Duties of this position include providing consultation, education, resources and advocacy to child care providers and communities. The Consultant will work with local DHS staff assigned to the registration and licensure of child care homes and centers.

BA/BS in community/public health, health promotion or related degree, travel, valid driver's license and auto liability insurance are required.

This position offers a benefit package that includes health, dental and life insurance, 10 paid holidays, vacation and sick pay, IPERS and a 403(b) retirement program.

Ad remains open until position is filled. Mail, fax or e-mail letter of application/resume with salary requirements to:
